P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Please review and enter the following remarks summarizing the interview conducted on November 4, 2009:

REMARKS

An Examiner's Interview Summary Record (PTO-413) was received dated November 9, 2009.

During the interview, the following was discussed:

1. Brief description of exhibits or demonstration: No.
2. Identification of claims discussed: 29
3. Identification of art discussed: Hirai (2001/0028962), Thompson (2002/0034656).

4. Results of Interview: Discussed various possible amendments including essentially the following alternatives (A) or (B), either of which would be indicated as overcoming the Hirai rejection and the Thompson rejection:

(A) In line 4 of claim 29, insert --is disposed between the anode and the cathode, and-- after "layer".

After line 15, insert the following:

--wherein

(1) the blue, green and red light-emitting materials are contained in the same light-emitting layer, or

(2) the light-emitting layer comprises at least two different light-emitting layers in physical contact with each other, each containing at least one of the blue, green or red light-emitting materials.--

OR

(B) After line 15, insert the following:

--wherein

(1) the blue, green and red light-emitting materials are contained in the same light-emitting layer, or

(2) the light-emitting layer comprises three different light-emitting layers, each containing only one of the blue, green or red light-emitting materials, with the light-emitting layer containing the green light-emitting material being in physical contact with the light-emitting layer containing the red light-emitting material.
